

Ministry Covenant

**In ministering at Christian Community Church of Mars,
I covenant to these precepts:**

1. Having heard and believed the gospel of Jesus Christ, according to the Word of God, I have trusted His finished work on the cross as payment for my sins, and I have trusted Christ as my Savior and Lord. According to Scripture, I am born again.
2. I agree to the Christian Community Church Doctrinal Statement, and will not minister contrary to it.
3. The more I learn about God, His purposes and His ways, the better I can serve Him where He has called me. I commit to sitting under teaching in the services/studies offered here at Christian Community Church weekly.
4. The stewardship of the ministry I am involved in is important. I will commit to preparing it with prayer and the necessary work. Further, I will seek to model, by my words and lifestyle, a healthy relationship with Christ.
5. I pledge to graciously submit to authority, be willing to give input, participate in training, address concerns and receive suggestions, to the glory of God, and the effectiveness of this ministry.
6. Our Lord is a Provider. He gives us stewardship and responsibility for the place in which we minister, and the items and supplies we minister with. I will care for them to the best of my ability, and seek to leave the area where I minister better than the way it might have been; with supplies where they belong. I will bring any needs to the attention of those who oversee that respective ministry.
7. When substitutes are needed, I agree to find a suitable replacement, (one who agrees with this Ministry Covenant), and to notify the overseer of the respective ministry.

By God's grace I agree to honor and uphold this ministry covenant.
